4002 Drug Free Workplace

It is vitally important to have a healthy workforce that is free from the effects of illegal drugs. The use or possession of unlawful drugs in the workplace has a very detrimental effect upon safety and morale of the affected employee, coworkers, and the public at large; and on productivity and the quality of work.

Federal law requires this school district, as a recipient of federal funds, to maintain a drug-free workplace. The unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in the district's workplace is prohibited. The term "workplace" includes every location where district employees may be found during their working hours or while they are on duty, regardless of whether the location is within the geographic boundaries of the district. Any employee who violates this policy will be disciplined with measures up to and including discharge. The district may, in its sole discretion, require or allow an employee who violates this policy to participate in and satisfactorily complete a drug abuse assistance or rehabilitation program.

The district shall provide every current employee with a copy of this policy, and shall provide each newly hired employee with a copy upon hiring. Every employee shall be required to signify receipt of a copy of the policy in writing. All district employees must abide by this policy, including those who are not directly engaged in the performance of work pursuant to a federal grant.

Within five days after a conviction, an employee must notify the head of the department in which he or she is assigned of any conviction of a criminal drug statute for a violation occurring in the workplace. The failure to report such a conviction will result in dismissal. If the employee convicted of such an offense is engaged in the performance of work pursuant to the provisions of a federal grant, the district shall notify the grant agency within 10 days of receiving notice of a conviction from the affected employee or of receiving actual notice of such a conviction.

An employee who is convicted of violating any criminal drug statute for conduct that occurred in the workplace will be subject to disciplinary action, including but not limited to suspension or discharge. The district may, in its sole discretion, require the employee to participate in and satisfactorily complete a drug abuse assistance or rehabilitation program.

I acknowledge that I have received a copy of the School District's Drug-Free Workplace policy. I understand that I am required to abide by the terms of the policy as a condition of my employment.

4003 Drug Policy Regarding Drivers

Policy Statement. Drivers for the school district must be free from drug and alcohol abuse, and the use of illegal drugs or improper use of alcohol is prohibited. The overall goal of drug and alcohol testing is to insure a drug-free and alcohol-free transportation environment, and to reduce accidents, injuries and fatalities.

Types of Testing. Pursuant to regulations promulgated by the Department of Transportation (DOT), the district has implemented four types of testing: (1) pre-employment testing, (2) reasonable cause testing, (3) post-accident testing and (4) random testing.

Refusal to Submit to Testing. The refusal to submit to the testing used by the district will be grounds for refusal to hire driver applicants and to terminate the employment of existing drivers. Any driver who becomes unqualified on the basis of violation of the terms of this policy will be subject to disciplinary action which may include termination of the driver's employment.

Disqualification. Any applicant who tests positive for the presence of the following drugs is medically unqualified to drive and will not be considered for the position of driver: (1) marijuana, (2) cocaine, (3) opiates, (4) amphetamines, or (5) phencyclidine (PCP). Any district driver who tests positive shall be medically unqualified and removed from service immediately.

Pre-employment Testing. All applicants for employment must submit to drug and alcohol tests as a condition of being considered for employment.

Reasonable Cause Testing. The district shall have reasonable cause to require a driver to submit to drug testing when a driver manifests physical or physiological symptoms or reactions commonly attributed to the use of controlled substances or alcohol.

Post-Accident Testing. A driver who has been involved in a reportable accident must submit to drug and alcohol testing as soon as possible. A reportable accident includes any accident in which there is a fatality, a person is injured and must be treated away from the accident site, the driver receives a citation for a moving violation, or a vehicle is towed from the scene. The driver must notify the district immediately regarding any reportable accident.

Serious Injury to the Driver. If a driver is so seriously injured that he or she cannot submit to testing at or immediately after the time of the accident, the driver must provide the necessary authorization for the district to obtain hospital reports or other documents that would indicate whether there were controlled substances or alcohol in the driver's system.

Random Testing. All drivers will be subject to unannounced random testing for drugs and alcohol. The district or its agents will periodically select drivers at random for testing. A district official will notify a driver when his or her name has been selected and will instruct the driver to report immediately for testing. By its very nature, random selection may result in one driver being tested more than once in a 12-month period, while another driver may not be selected at all during the same 12 months.

Frequency of Random Testing. Under DOT regulations, the district must test at least 50 percent of its average number of driver positions for drugs and 25 percent of its average number of driver positions for alcohol each year. The tests must be unannounced and spread evenly throughout the year. DOT regulations also require that every driver selected at random must have his or her name placed back in the random pool for the next selection period.

Testing Procedure. All urine and blood specimens collected under the policy will be submitted to an approved laboratory for testing. Specimens that initially test positive for drugs will be subjected to a subsequent confirmation test before being reported by the laboratory as positive.

Medical Resource Officer. All laboratory test results will be reported by the laboratory to a medical review officer (MRO) designated by the district. Negative test results will be reported as such by the MRO to the district. Before reporting a positive test result to the district, the MRO will attempt to contact the driver to discuss the test result. If the MRO is unable to contact the driver directly, the MRO will contact a district official designated in advance by the district, who shall in turn contact the driver and direct the driver to contact the MRO. Upon being so directed, the driver shall contact the MRO immediately or, if after the MRO's business hours and the MRO is unavailable, at the start of the MRO's next business day.

Confidentiality. Pursuant to DOT regulations, individual test results for applicants and drivers will be released to the district and will be kept confidential unless the tested individual consents to their release. Any

person who has submitted to drug testing in compliance with this policy is entitled to receive the results of such testing upon timely written request.

Retesting. An individual who tested positive for the presence of drugs may request that the original sample be retested. The request for a retest must be submitted in writing on a form provided by the district within 3 working days of the district's notification to the individual that he or she has a positive test result. The individual making the request must pay all costs associated with the retest and transfer of the sample to another laboratory before the retest will be performed.

Employment of Relatives, Domestic Partners and Significant Others

It is in the school district's best interest to hire the best qualified candidate for employment. However, the district must use sound judgment in hiring and placing employees who are closely related, reside together as domestic partners, or are involved in close relationships for the following reasons: avoiding conflict of interest and the appearance of a conflict of interest; avoiding favoritism and the appearance of favoritism; promoting collegiality among employees; minimizing lost productivity; easing the task of managing employees; avoiding friction and conflict when marriages or relationships break down; and avoiding claims of sexual harassment.

For the purposes of this policy, the term "relative" refers to a spouse, child, parent, sibling, grandparent, grandchild, aunt, uncle, first cousin, or corresponding in-law or "step" relation. "Domestic partner" refers to individuals who reside in the same household and are involved in a relationship, who may hold themselves out to the public as marital partners, but who are not legally married. "Significant others" refers to individuals who are dating or engaged to be married but may or may not reside together. This policy applies to all categories of employment including regular, temporary, and part-time classifications.

Generally, an employee's relative, domestic partner, or significant other should not be hired to work in the same department as the employee or in any other position in which the district believes a conflict or the appearance of a conflict may exist. Relatives, domestic partners, and significant others are permitted to work at the district provided one does not report directly to, supervise, or manage the other. The superintendent and/or board may make exceptions to this general rule.

Employees in a supervisory-subordinate relationship or employed in the same department who marry, become domestic partners, or become significant others while employed will be treated in accordance with these guidelines, and one of the employees will be transferred at the earliest practicable time. The transfer will be voluntary when possible. When a voluntary transfer is not possible, the superintendent will make the decision based upon the importance of each job, the needs of the district, and the availability of candidates to fill either position. The district shall endeavor to place the transferred employee in a position which is similar in terms of pay and benefits. The superintendent and/or board may make exceptions to this general rule. Employee Leave Under the Family and Medical Leave Act
(FMLA)

The school district shall provide leave to its employees in accordance with the Family and Medical Leave Act ("FMLA"). The terms used herein shall have the meaning ascribed to them under the FMLA. Employees may also qualify for leave under the Nebraska Family Military Leave Act, which is covered under the district's policy for that law. If an employee qualifies for leave under both the Family and Medical Leave Act and the Nebraska Military Leave Act, any leave taken by the employee will count concurrently toward the leave limits of both acts.

I. Qualifying for Leave

A. Qualified Employees

1. To be eligible for **unpaid** leave under this policy, an employee must:
 - a. Make the request for leave at a time when the school district employs 50 or more workers;
 - b. Have been working for the school district for at least 12 months prior to the request; and
 - c. Have worked a minimum of 1,250 hours during the 12-month period immediately preceding the commencement of the leave.
2. The applicable 12-month period for computing an employee's entitlement to FMLA leave shall be the 12-month period measured forward from the date such employee's first FMLA leave begins.
3. Employees ineligible for FMLA leave for any reason may be eligible for leave under the Nebraska Family Military Leave Act and should consult policy 4011.1.

B. Qualified Circumstances Necessitating Leave

1. The school district will grant an eligible employee up to a total of 12 workweeks of **unpaid** leave under the following conditions:
 - a. For birth of a son or daughter, and to care for the newborn child;
 - b. For placement of a son or daughter with the employee for adoption or foster care;
 - c. To care for the employee's spouse, son, daughter, or parent with a serious health condition;
 - d. Because of a serious health condition that makes the employee unable to perform the functions of his or her job;
 - e. Because of any qualifying exigency arising out of the fact that the employee's spouse, son, daughter, or parent is a Military Member on Covered Active Duty (or has been notified of an impending call or order to Covered Active Duty) in National Guard, Reserves, and/or Regular Armed Forces in support of a contingency operation; or
2. The school district will grant an eligible employee who is the spouse, son, daughter, parent or next of kin of a Covered Servicemember a total of 26 workweeks of **unpaid** leave during a 12-month period to care for the service member as permitted under the FMLA. The leave described in this paragraph shall only be available during a single 12-month period.

For purposes of this provision and this policy, "Covered Servicemember" includes both Military Members and covered Veterans, so long as the covered Veteran was discharged or released under conditions other than dishonorable at any

time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered Veteran.

3. During the single 12-month period described in paragraph I(B)(2), an eligible employee shall be entitled to a combined total of 26 workweeks of leave under paragraphs I(B)(1) and I(B)(2). Nothing in this paragraph shall limit the availability of leave under paragraph I(B)(1) during any other 12-month period.

C. Limitations on Leave

1. Leave for birth or placement for adoption or foster care must conclude within 12 months of the birth or placement.
2. In any case in which a husband and wife both employed by the school district are entitled to FMLA leave:
 - a. The aggregate number of workweeks of FMLA leave to which both are entitled is limited to 12 during any 12-month period if such leave is taken (i) because of the birth of a son or daughter of the employee and in order to care for such son or daughter; (ii) because of the placement of a son or daughter with the employee for adoption or foster care; or (iii) to care for a sick parent who has a serious health condition; and
 - b. The aggregate number of workweeks of FMLA leave to which both that husband and wife are entitled is limited to 26 during the single 12-month period in which leave is taken to care for a Covered Servicemember and the husband and wife employees are both either the son, daughter, parent, or next of kin of such Covered Servicemember, if the leave is

taken for this reason or a combination of this reason and one of the three reasons described in paragraph I(C)(2)(a). If the leave taken by the husband and wife includes leave described in paragraph I(C)(2)(a), the limitation in paragraph I(C)(2)(a) shall apply to the leave described in I(C)(2)(a).

D. Qualifying Notice and Certification

Employees seeking to use FMLA leave will be required to provide:

1. 30-day advance notice when the need to take the leave is foreseeable; provided, if (a) the leave is for needed treatment which is required to begin in less than thirty days or (b) the leave is for the reason set forth in paragraph I(B)(1)(e), the employee shall provide such notice to the school district as is reasonable and practical;
2. Medical certification supporting the need for leave due to a Serious Health Condition affecting the employee or family member or to care for a Military Member, and/or due to a Serious Injury or Illness to care for a Veteran;
3. Second or third medical opinions and periodic re-certifications (at the school district's expense);
4. Certification supporting the need for leave because of a qualifying exigency arising out of the fact that the employee's spouse, son, daughter or parent is a Military Member on Covered Active Duty (or has been notified of an impending call or order to Covered Active Duty) in the National Guard, Reserves, and/or Regular Armed Forces in support of a contingency operation;

5. Certification supporting the need for leave to care for a Veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered Veteran, and who is undergoing medical treatment, recuperation, or therapy for a Serious Injury or Illness; and
6. Periodic reports during leave, at a frequency reasonably requested by the superintendent, regarding the employee's status and intent to return to work.

E. Scheduling Leave

When leave is needed to care for a family member, for the employee's own illness, or to care for a Covered Servicemember, and such leave is foreseeable based on planned medical treatment, the employee must attempt to schedule treatment so as not to unduly disrupt the school district's operations.

II. Relationship with District During Leave

A. Leave to Be Unpaid

All leave provided to employees under the provisions of the FMLA and this policy shall be unpaid leave.

B. Substitution of Paid Leave

1. The school district requires employees to substitute any accrued paid vacation leave, paid personal leave, paid family leave, paid medical leave or paid sick leave for FMLA leave. However, nothing in this policy shall require the school district to provide paid sick or medical leave in any situation in which the school district would not normally provide such paid leave.
2. If an employee uses paid leave under circumstances which do not qualify as FMLA

leave, the leave will not count against the number of workweeks of FMLA leave to which the employee is entitled.

3. Any paid leave which is substituted for FMLA leave will be subtracted from the number of workweeks of unpaid leave provided by the FMLA and this policy.

C. Group Health Plan Benefits

1. The school district will continue group health plan benefits on the same basis as coverage would have been provided if the employee had been continuously employed during the FMLA leave period.
2. Any share of health plan premiums which have been paid by the employee prior to FMLA leave must continue to be paid by the employee during the FMLA leave period.

D. Intermittent or Reduced-Schedule Leave

1. Leave may be taken under this policy intermittently or on a reduced-leave schedule under certain circumstances.
 - a. When leave is taken because of a birth or because of a placement of a child for adoption or foster care, an eligible employee may take leave intermittently or on a reduced-leave schedule only with the agreement of the school district. In such a case, the superintendent shall have the authority to approve or disapprove such intermittent or reduced leave schedule, in the superintendent's sole discretion.
 - b. When leave is taken to care for a sick family member, for an employee's own serious health condition, or to care for a covered Veteran or Military Member, an

eligible employee may take leave intermittently or on a reduced-leave schedule when medically necessary.

- c. When leave is taken by an eligible employee because of any qualifying exigency arising out of the fact that the employee's spouse, son, daughter, or parent is a Military Member on Covered Active Duty (or has been notified of an impending call or order to Covered Active Duty) in National Guard, Reserves, and/or Regular Armed Forces in support of a contingency operation, the employee may take leave intermittently or on a reduced-leave schedule.
- d. When leave is taken by an eligible employee to care for a Covered Servicemember, including a Veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered Veteran, and who is undergoing medical treatment, recuperation, or therapy for a Serious Injury or Illness
- e. Intermittent or reduced leave shall not result in a reduction in the employee's total amount of leave beyond the amount of leave actually taken.
- f. When an instructional employee seeks to take intermittent leave in connection with a family or personal illness (e.g. physical therapy or periodic care for a sick relative) or to care for a covered Veteran or Military Member, and when such leave would constitute at least 20 percent of the total number of working days in the period during which the leave would extend, the school district may require the employee

to elect to take leave in a block, instead of intermittently, for the entire period or to transfer to an available alternative position within the school system that is equivalent in pay, for which the employee is qualified, and which better accommodates the intermittent leave.

2. If an eligible employee requests intermittent leave or leave on a reduced-leave schedule that is foreseeable based on planned medical treatment, including during a period of recovery from a serious health condition, the school district may require the employee to transfer temporarily to an available alternative position for which the employee is qualified and which better accommodates recurring periods of leave than does the employee's regular position. Such alternative position must have equivalent pay and benefits as the employee's permanent position.
3. Leave taken on an intermittent or reduced-schedule basis will be tracked hourly.

III. Return from Leave

A. Restoration to Position

1. On return from FMLA leave, an employee is entitled to be returned to the same position the employee held when leave commenced, or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment.
2. Any leave taken under this policy will not result in the loss of any employment benefits accrued prior to the date on which the leave commenced.
3. An eligible employee is not entitled to accrual of any seniority or employment benefits during any period of leave, or any right, benefit, or

position of employment other than to which the employee would have been entitled had the employee not taken leave.

B. Denial of Restoration

1. The school district reserves the right to deny restoration to any eligible employee who is a "key employee" (that is an employee who is salaried and among the highest paid 10% of the employees of the school district) if such denial is necessary to prevent substantial and grievous economic injury to the operations of the school district.
2. If the school district intends to deny restoration to such an employee, it will:
 - a. notify the employee of his/her status as a "key employee" in response to the employee's notice of intent to take FMLA leave;
 - b. notify the employee as soon as the school district decides it will deny job restoration and explain the reasons for this decision;
 - c. offer the employee a reasonable opportunity to return to work from FMLA leave after giving this notice; and
 - d. make a final determination as to whether reinstatement will be denied at the end of the leave period if the employee then requests restoration.

C. Failure to Return from Leave

- a. If an employee fails to return from FMLA leave after the period of leave to which the employee is entitled has expired, the employee shall reimburse the district for any premiums the employer paid for

maintaining health insurance coverage for the employee during the employee's FMLA leave unless the reason the employee does not return is due to: (1) the continuation, recurrence, or onset of the serious health condition which entitled the employee to FMLA leave and the employee provides the district with sufficient certification from the proper health care provider of such continuation, recurrence, or onset of the serious health condition or (2) other circumstances beyond the employee's control.

IV. Notice to Employees

- A.** The school district will post in conspicuous places where employees are employed notices explaining the FMLA and providing information concerning the procedures for filing complaints of FMLA violations with the U.S. Wage and Hour Division.
- B.** When an employee provides notice of the need for FMLA leave, the school district shall provide the employee with a copy of the "section 301(c) notice" which is attached to this policy.
- C.** To the extent that any provision in this policy is in any manner inconsistent with the provisions of the Act or the regulations promulgated thereunder, the Act and regulations shall prevail over the provisions of this policy. The school district reserves the right to modify this policy from time to time in its sole discretion.
- D.** Employees may direct any questions or concerns regarding FMLA leave to the superintendent.

B. Benefits

1. Taking leave under the NFMLA shall not result in the loss of any employee benefit accrued before the date on which the leave commenced.
2. Any employee who takes leave under the NFMLA will be permitted to continue their benefits at their own expense.
3. Payment for benefits must be made to the district in advance of the date on which they are due. For example, if health insurance premiums are paid to the carrier by the district on the 1st of the month, the employee taking leave under the NFMLA must provide

the full cost of the premium to the district prior to that date. Failure to provide the full costs for all benefits the employee wishes to continue in advance of their due date may result in cancellation of benefits as permitted by law.

III. Return from Leave

A. Restoration to Position

1. Any employee who exercises the right to leave under the NFMLA shall be restored by the district to the position held by the employee when the leave commenced or to a position with equivalent seniority status, employee benefits, pay, and other terms and conditions of employment.
2. This section does not apply if the district proves that the employee was not restored because of conditions unrelated to the employee's exercise of rights under the NFMLA.

B. Failure to Return

If an employee fails to return after the period of leave to which the employee is entitled has expired, and no additional qualifications for leave exist, the employee will be subject to the district's policies governing unexcused absences up to and including termination of employment.

4012 Staff Internet and Computer Use

Internet access is an important tool for communicating, keeping up-to-date with current developments in education, and for conducting research to enhance management, teaching and learning skills. The following procedures and guidelines are intended to ensure appropriate use of the Internet at the school by the district's faculty and staff. Staff should also refer to the district's policy on Staff and District Social Media Use.

I. Staff Expectations in Use of the Internet

A. Acceptable Use While on Duty or on School Property

1. Staff shall be restricted to use the Internet to conduct research for instructional purposes.
2. Staff may use the Internet for school-related e-mail communication with fellow educators, students, parents, and patrons.
3. Staff may use the Internet in any other way which serves a legitimate educational purpose and that is consistent with district policy and good professional judgment.
4. Teachers should integrate the use of electronic resources into the classroom. As the quality and integrity of content on the Internet is not guaranteed, teachers must examine the source of the information and provide guidance to students on evaluating the quality of information they may encounter on the Internet.

B. Unacceptable Use While on Duty or on School Property

1. Staff shall not access obscene or pornographic material.
2. Staff shall not engage in any illegal activities on school computers, including the downloading and reproduction of copyrighted materials.

3. Staff shall not use school computers or district internet access to use peer-to-peer sharing systems such as BitTorrent, or participate in any activity which interferes with the staff member's ability to perform their assigned duties.
4. The only political advocacy allowed by staff on school computers or district internet access is that which is permitted by the Political Accountability and Disclosure Act and complies with district policy.
5. Staff shall not share their passwords with anyone, including students, volunteers or fellow employees.

II. School Affiliated Websites

Staff must obtain the permission of the administration prior to creating or publishing any school-affiliated web page which represents itself to be school-related, or which could be reasonably understood to be school-related. This includes any website which identifies the school district by name or which uses the school's mascot name or image.

Staff must provide administrators with the username and password for all school-affiliated web pages and must only publish content appropriate for the school setting. Staff must also comply with all board policies in their school-affiliated websites and must comply with the board's policy on professional boundaries between staff and students at all times and in all contexts.

Publication of student work or personality-identifiable student information on the Internet may violate the Federal Education Records Privacy Act. Staff must obtain the consent of their building principal or the superintendent prior to posting any student-related information on the Internet.

III. Enforcement

A. Methods of Enforcement

The district owns the computer system and monitors e-mail and Internet communications, Internet usage, and patterns of Internet usage. Staff members have no right of privacy in any electronic

communications or files, which are stored or accessed on or using school property and these are subject to search and inspection at any time.

1. The district uses a technology protection measure that blocks access to some sites that are not in accordance with the district's policy. Standard use of the Internet utilizes a proxy server-based filter that screens for non-curriculum related pages.
2. Due to the nature of technology, the filter may sometimes block pages that are appropriate for staff research. The system administrator may override the technology protection measures that blocks or filters Internet access for staff access to a site with legitimate educational value that is wrongly blocked.
3. The district will monitor staff use of the Internet by monitoring Internet use history to ensure enforcement of this policy.

B. Any violation of school policy and rules may result in that staff member facing:

1. Discharge from employment or such other discipline as the administration and/or the board deem appropriate;
2. The filing of a complaint with the Commissioner of Education alleging unprofessional conduct by a certified staff member;
3. When appropriate, the involvement of law enforcement agencies in investigating and prosecuting wrongdoing.

IV. Off-Duty Personal Use

School employees may use the internet, school computers, and other school technology while not on duty for personal use as long as such use is (1) consistent with other district policies, (2) consistent with the provisions of Title 92, Nebraska Administrative Code, Chapter 27 (Nebraska Department of Education "Rule 27"), and (3) is reported as compensation in accordance with the Internal Revenue Code of 1986,

as amended, and taxes, if any, are paid. All of the provisions of Rule 27 will apply to non-certificated staff for the purposes of this policy. In addition, employees may not use the school's internet, computers, or other technology to access obscene or pornographic material, sext, or engage in any illegal activities.

4013 Grievance Procedure

Definition of Grievance. A grievance is an allegation by an employee or group of employees that there has been a violation of a provision of the negotiated agreement or a policy of the board of education.

Procedural Steps. The procedure for handling grievances is as set forth below.

Step 1 - Oral Notice to Principal. The grievant shall initiate the grievance by presenting it to his or her principal or immediate supervisor within seven (7) days from the date that the grievant knew or should have known of the incident giving rise to the grievance.

Step 2 - Written Grievance to the Principal. If the grievance is not resolved to the satisfaction of the grievant within five (5) days of the meeting with the principal, the grievant representative may present the grievance in writing to the principal.

The principal shall schedule a meeting within three (3) days of receipt of the written grievance to discuss the elements of the grievance. The principal shall submit his or her determination in writing to the grievant within five (5) days of the meeting.

Step 3 - Written Appeal to the Superintendent of Schools. If the determination of the principal is not satisfactory to the grievant, the grievant may appeal it to the superintendent of schools or his or her designated representative. Said appeal shall be presented, in writing, to the office of the superintendent of schools within five (5) days of receipt of the principal's determination.

The superintendent of schools or a designee shall hold a formal meeting within seven (7) days of receiving the written appeal. The superintendent of schools or a designated representative shall make a written determination regarding the grievance within five (5) days of the date of the meeting.

Step 4 - Appeal to the Board of Education. If the determination of the superintendent of schools is not satisfactory to the grievant, the grievant may appeal it to the board within five (5) days of receipt of the superintendent's decision. The board

shall hear the grievance within thirty (30) days in open or closed session in accordance with the law. The board shall notify the grievant of its decision within five (5) days of hearing the grievance.

Written Presentation. All grievances presented at Step 2 and subsequent steps of the procedure shall set forth in writing all facts giving rise to the grievance, the provision(s) of the Agreement or policy alleged to have been violated, the names of the grievant(s), the names of all witnesses, and the remedy sought by the grievant. All grievances at Step 2 and appeals at Step 3 and Step 4 shall be signed and dated by the aggrieved employee. All written answers submitted by the district shall be signed and dated by the appropriate district representative.

Grievance Meetings or Hearings. All meetings and hearings conducted under this procedure up to and including Step 3 shall be conducted in private and shall include only the administration's representatives, the grievant, the grievant's representatives, and witnesses as necessary.

Association Representation. A grievant shall have the right to have an Association representative present to represent the grievant at each level of the grievance procedure.

Reprisals. No reprisals of any kind shall be taken against any employee who uses this grievance procedure in good faith.

Withdrawal of a Grievance. A grievant may withdraw his or her grievance at any level of the procedure without fear of reprisal from any party.

Advanced Step Filing. A grievance shall be filed initially at the level at which the decision resulting in the grievance was made.

Time Limitations. Time limitations herein are critical. All references to days are to calendar days. No grievance shall be accepted by the district unless it is submitted or appealed within the time limits set forth in this Agreement. If at any time during the grievance process, it is discovered that the grievance was not filed or appealed in a timely manner, the grievance shall be dismissed. If the grievance is not submitted in a timely manner at Step 1 or Step 2, it shall be deemed to be waived. If the grievance is not appealed to Step 3 in a timely manner, it shall be deemed to have been settled in accordance with the

district's Step 2 determination. If the district fails to answer within the time limits set forth in this Agreement, the grievance shall automatically proceed to the next step.

When the deadline for taking an action falls on a Saturday, a Sunday or a legal holiday, the time for taking the action shall be extended to the next working day.

Requirement to Grieve. This grievance procedure is not discretionary and cannot be waived except through the express written consent of the board. No administrator or board member, individually, has the authority to waive the requirements of this procedure. Any grievance covered by this procedure but not raised pursuant to the requirements herein, including any grievance abandoned, will be forfeited.

Bad Faith or Serial Filings. The purpose of the grievance procedure is to resolve complaints and grievances regarding covered matters at the lowest level possible within the chain of command. Grievances filed without any intention to attempt to resolve the issues raised; for the purpose of adding administrative burden; or for purposes inconsistent with the professional obligations of district staff members may be dismissed by the superintendent without providing final resolution other than noting the dismissal on a basis in this section.

4014 Employment-Related Sexual Harassment

It is the policy of the school district to provide an environment free of unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct or communication constituting sexual harassment. Sexual harassment by any employees and students is unequivocally prohibited. Sexual harassment is misconduct that interferes with work productivity and wrongfully deprives employees of the opportunity to work and students of the opportunity to study and be in an environment free from unsolicited and unwelcome sexual overtones. Sexual harassment includes all unwelcome sexual advances, requests for sexual favors and other such verbal or physical misconduct. Sexual harassment is a prohibited practice and is a violation of the law.

The U.S. Equal Employment Opportunity Commission has issued guidelines interpreting Section 703 of Title VII as prohibiting sexual harassment. Sexual harassment is defined in those guidelines as follows:

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical misconduct of a sexual nature constitutes sexual harassment when:

- (1) Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment,
- (2) Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or
- (3) Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.

A person who feels harassed is encouraged to inform the person engaging in sexually harassing conduct or communication directly that the conduct or communication is offensive and must stop. If the person who feels harassed does not wish to communicate directly with the person whose conduct or communication is offensive, or if direct communication with the offending person has been ineffective, the person who feels harassed should report the conduct or communication

using the district's complaint policy. Complaints involving sexual harassment may also be submitted at any time to the district's Title IX coordinator.

Regardless of the means selected for resolving the problem, the good faith initiation of a complaint of sexual harassment will not affect the complainant's employment, compensation or work assignments as an employee, or status as a student.

Sexual harassment of students is addressed in a separate policy.

Prohibition Against Employment of Board Members as Teachers

Nebraska statutes recognize the inherent conflict of interest that is created when a member of the board of education serves as a certificated employee of the district. Consequently, section 79-544 of the statutes prohibits a board member from being employed as a teacher in a school district where he or she also serves on the board.

The board will allow a member of the board of education to be employed by the school district in a non-teaching capacity, including substitute teaching. Board members who are also employed by the district are strictly prohibited from discussing any issue with students, staff or parents in their capacity as an employee that may come before the board. Board members who are employed by the school district must fully comply with Policy 2005: Conflict of Interest.

This policy does not prohibit the board from contracting with members of the board for services or products when the relationship is not one of employer/employee and such contracts are in compliance with the requirements of statute and board policy regarding conflicts of interest.

All certificated employees to be evaluated shall be notified annually in writing. A certified administrator, with the exception of the local board of education when it is evaluating the superintendent, will observe and evaluate each probationary certified employee for a full instructional period once each semester and each permanent certificated employee for a full instructional period once each school year. If the probationary certificated employee is a superintendent, he or she shall be evaluated twice during the first year of employment and at least once annually thereafter. The evaluation will include, but not be limited to evaluating the employee's instructional performance, classroom organization and management, personal conduct, and professional conduct. Evaluation of instructional performance and classroom organization and management is applicable to teachers only. The administrator will provide the employee with a written list of deficiencies, suggestions and a timeline for correcting the deficiencies and improving performance, and sufficient time to improve. The evaluation form will include notice that the employee may respond to the evaluation in writing.

The school district will train administrators in evaluation annually through meetings with the superintendent or other administrator, attendance at regional, state or national workshops, or any other method approved by the superintendent.

For the purposes of this policy, the terms "actual classroom observation" and "entire instructional period" are defined as follows:

Entire Instructional Period. For certificated employees whose classes are held during defined periods of time (e.g., senior high classes), an entire instructional period consists of one such time period. For those whose time periods are not so defined (e.g., elementary classroom teachers), an entire instructional period consists of 40 minutes. The instructional period for those whose work does not necessarily involve continuous instruction for 40-minute periods (e.g., librarians or speech therapists) consists of no less than 40 minutes total during the semester. The entire instructional period for administrators cannot be defined in terms of an instructional period and shall be satisfied by the actual observation of an

administrator's work during the semester for no less than 40 minutes.

Actual Classroom Observation. Actual classroom observation consists of observing the certificated employee in any activities in a classroom setting. When a certificated employee does not have classroom responsibility (e.g., administrators or librarians), the requirement of "actual classroom observation" will be satisfied by observing the certificated employee performing activities that are typical of his or her position.

Both probationary and permanent certificated employees are required to actively participate in the in-service/staff development programs offered by Bertrand Public Schools.

In the alternative to obtaining six semester hours of college credit, an employee will be deemed to have given satisfactory evidence of professional growth if, each of the six years at issue, he or she has attended all staff meetings, has participated in all in-service meetings and activities, and has participated in all additional professional growth activities suggested by the administration. Employees may also request professional growth credit for other professional activities such as participation in professional groups, travel of significant educational value, and membership in professional organizations. The employee must receive prior approval from the building principal for any of these activities to count toward professional growth.

Rights of Probationary Certificated Employees

Procedural Entitlement. The superintendent of schools may, at his or her discretion, notify a probationary certificated employee that his or her employment contract may not be renewed or may be amended. In the event of consideration of nonrenewal or amendment of a probationary certificated employee's employment contract at the close of the school year, the affected employee shall be provided with written notice of the proposed nonrenewal on or before April 15, including notice that he or she is entitled to a hearing before the board prior to any final decision on the proposed contract action. To secure such a hearing, the employee must send a written request to the secretary of the board, the superintendent or the superintendent's designee within seven (7) calendar days of receipt of notice of possible nonrenewal or amendment. An employee who requests a hearing shall be given written notice of the employment-related reasons for the proposed action at least five (5) calendar days prior to the hearing. The hearing shall be an informal hearing at which the employee or the employee's representative shall be given an opportunity to discuss and explain the employee's position regarding continued employment, to present information, and to ask questions of those appearing on behalf of the school district. At the conclusion of the hearing, the board may elect to amend or not renew the contract of a probationary certificated employee for any reason it deems sufficient if the nonrenewal is in accordance with the provisions of Nebraska statutes and is not for constitutionally impermissible reasons.

Hearing by Board Committee. At its discretion, the board may conduct the hearing regarding the nonrenewal or amendment of a probationary employee's employment by a committee of the board that consists of not fewer than three board members. If the board proceeds with a hearing by committee, notice of the hearing must be sent to all board members five (5) days prior to the date of the hearing, the majority opinion of such a committee will constitute a recommendation to the board as a whole, and the final decision must be made by a majority vote of the members of the board without additional hearing. The meeting to make a final determination must be held in open session.

Public Notice of Meeting. The board shall give proper notice of any board meeting in accordance with the Nebraska Public Meetings Law.

Rights of Permanent Certificated Employees

School district administrators and the board of education shall comply with the requirements of due process in considering the cancellation, amendment or termination of a permanent certificated employee's contract of employment. After compliance with such requirements, the board may cancel, amend or terminate such a contract of employment for just cause as provided in statute, contract or board policy.

The superintendent of schools may, at his or her discretion, notify a permanent certificated employee that the employee's employment contract may be canceled, amended or terminated.

Mid-Term Cancellation or Amendment. If a certificated employee's employment contract is considered for mid-term amendment or cancellation, the affected employee shall be provided:

A written statement of the alleged grounds for cancellation or amendment of the contract and that such certificated employee's contract may be canceled or amended mid-term as well as the information set out in the section entitled "Procedural Entitlement" below.

Termination or Amendment of a Permanent Employee's Contract. If a permanent certificated employee's employment contract is considered for amendment or termination at the close of the school year, the affected employee shall be provided:

Written notice of the proposed action on or before April 15. If the employee requests a hearing, he or she shall be given written notice of the alleged grounds for the proposed action at least five (5) days prior to the hearing.

Procedural Entitlement. In the event of the proposed cancellation, amendment or termination of a permanent certificated employee's employment contract, whether mid-term or at the close of the contract year, the affected employee shall be provided with written notice that he or she is entitled to a hearing before the board prior to any final decision on the proposed contract action. To secure such a hearing, the employee must submit a written request to the secretary of the board, the superintendent or the superintendent's designee within seven (7) calendar days of receipt of notice of possible cancellation, amendment or

termination. Upon request, the certificated employee will be provided with notice, at least five (5) days prior to the hearing, of the names of any witnesses who will be called to testify against the certificated employee as well as the general areas of their testimony, and will be given an opportunity to examine any documents that will be presented at the hearing.

Public Notice of Meeting. The board shall give proper notice of any board meeting in accordance with the Nebraska Public Meetings Law.

Employee's Right to Be Represented. A permanent employee shall have the right to be represented at the hearing and shall be given an opportunity to cross-examine all witnesses, examine all documents, and present evidence material to the issues.

Basis of the Board's Decision. A decision to cancel, amend or terminate a permanent certificated employee's contract shall be based solely upon the evidence produced at the hearing and must be agreed to by a majority of the members of the board. If the board cancels, amends or terminates a certificated employee's contract, it shall reduce its findings and determinations to writing and shall deliver a written copy thereof to the certificated employee.

Reduction In Force

The board of education may determine that a reduction in force of certificated staff members is appropriate due to declining enrollment in a grade or grades, changes in financial support, changes in curricular programs, a decline in the taxable value of property located within the school district, increased costs of operating the school district, or another change or changes in circumstances. If the board, in its sole discretion, determines that a reduction of certificated staff is necessary, the superintendent shall notify those employees whose contracts may be reduced. However, the employment of a permanent employee may not be terminated through a reduction in force while a probationary employee is retained to render a service that the permanent employee is qualified to perform by reason of certification and endorsement, or when certification is not applicable, by reason of college credits in the teaching area.

1. **Definition of Reduction in Force.** A reduction in force shall consist of a reduction of one or more positions or a reduction in the percentage of employment of one or more certificated staff members, even if the number or percentage of employment of the certificated staff overall may be increased by other hirings or increases in the percentage of employment of other employees. Reduction in force may result in the termination of employment or an amendment to an employee's contract reducing the extent of the employee's employment.
2. **Restriction of Right to Administrative Position.** Due to the confidential and unique personal working relationship necessary between the administration and the board of education, a certificated employee who is not currently serving in a predominantly administrative capacity shall have no rights under this policy to any administrative position within the school system.
3. **Criteria for Reduction in Force.** The criteria set forth below shall be considered in selecting the personnel to be reduced. The criteria are not listed in any order of priority, and shall be given the weight that the board considers appropriate.
 - a. Programs to be offered
 - b. Areas of endorsement that are of present or future value to the district. This criterion shall be based upon the endorsement(s) shown on each teacher's Nebraska Teaching Certificate.

- c. State and federal laws or regulations that may mandate certain employment practices;
 - d. Involvement in the programs and activities sponsored by the school district.
 - e. Special or advanced training consisting of college credit or other training that would be of present or future value to the district.
 - f. The organizational and educational effect caused by multiple part-time certificated employees; and
 - g. Any other reasons that are rationally related to the instruction in or administration of the school district.
4. **Consideration of Uninterrupted Service.** If, after consideration of the criteria listed above, it is the opinion of the superintendent that there is no significant difference between or among certificated employees being considered for reduction, the employee(s) with the longest uninterrupted service to the district shall be retained.
- a. Uninterrupted length of service is defined as the number of continuous full-time equivalent years of employment in the district as a teacher.
 - b. A full-time equivalent year is defined as employment on a full-time basis for an entire school year.
 - c. Less than full-time employment reduces the teacher's full-time equivalent employment for a school year. For example, a teacher employed on a half-time basis would be credited with half a year full-time equivalent employment.
 - d. A break in service will terminate a teacher's seniority and length of service under this provision. That period of time when a teacher is on a leave of absence shall not constitute a break in service; however, any years of absences or fractions of years of leave of absence will not count as years of employment for the purposes of determining the length of a teacher's uninterrupted service.
5. **Rights of Recall.**
- a. Any certificated employee whose contract has been terminated shall be considered to have been dismissed with honor and shall, upon request, be provided a letter to that effect.

- b. Such employee shall have preferred rights to re-employment for a period of 24 months commencing at the end of the contract year, and the employee shall be recalled on the basis of length of service to the district to any position that he or she is qualified to teach by endorsement or college preparation.
- c. Upon re-employment, a recalled employee shall be placed on the salary schedule and provided fringe benefits based on existing district policies and the current negotiated agreement. Any year of years of absence from employment shall not be considered as a year or years of employment by the district.
- d. An employee under contract to another education institution may waive recall, but such waiver shall not deprive the employee of his or her right to subsequent recall.

6. Current Teaching Certificate.

- a. Upon initial employment with the district, each certificated employee shall file a copy of his or her teaching certificate, including endorsements with the superintendent of schools.
- b. The employee shall be responsible for filing any changes in certification or endorsements with the superintendent.

7. Address Records.

- a. A certificated employee whose employment contract has been terminated because of a reduction in force shall, during the period which he or she is eligible for recall, be responsible for reporting any change of address to the superintendent of schools.
- b. If there is a vacancy to which a former employee has a right of recall, the district may communicate an offer of re-employment by telephone, by e-mail, or by United States mail sent to the former employee's last known address. If the school district does not receive written acceptance of the offer within seven days, the former employee shall be deemed to have waived his or her rights to be recalled to the employment position.

Staff and District Social Media Use

Social media is an important tool for communicating, keeping up-to-date with current developments in education, and for conducting research to enhance management, teaching, and learning skills. The district also uses social media accounts to provide information to district stakeholders. This policy is intended to ensure (1) appropriate use of social media by staff and (2) appropriate control of social media accounts belonging to or affiliated with the district. Staff should also refer to the district's policy on Staff Computer and Internet Usage.

I. Personal Versus School-Affiliated Social Media Use

A. Personal Social Media Use

1. The school district will not require staff members or applicants for employment to provide the district with their username and password to personal social media accounts.
2. The district will not require staff to add anyone to the list of contacts associated with the staff member's personal social media accounts or require a staff member to change the settings on his or her personal social media accounts so that others can or cannot view their accounts.
3. Staff members whose personal social media use interferes with the orderly operation of the school or who use social media in ways that are not protected by the First Amendment may be subject to discipline by the district.
4. Staff members who wish to begin using or to continue using the school district name, programs, mascot, image or likeness as part of any social media profile must notify their supervising administrator of the use, and must secure the administrator's permission to do so.

B. School-Affiliated Social Media Use

1. Any social media account which purports to be “the official” account of the school district (e.g., “Bulldog Wrestling”), or any of its programs, classes or entities will be considered to be an account that is used exclusively for the school district’s business purpose. Staff members may not use “official” accounts for personal use.
2. Staff may be required to provide their supervising administrator with the username and password to school-affiliated social media accounts.
3. Staff may be required to interact with specified individuals on school-affiliated social media accounts.
4. When staff use school-affiliated social media accounts to comment on school-related matters, they do not do so as private citizens and are therefore not entitled to First Amendment protections.

II. Staff Expectations in Use of Social Media – Applicable to Both Personal and School-Affiliated Use

A. General Use and Conditions

Staff must comply with all board policies, contract provisions, and applicable rules of professional conduct in their social media usage. They must comply with the board’s policy on professional boundaries between staff and students at all times and in both physical and digital environments.

Staff must obtain the consent of their building principal or the superintendent prior to posting any student-related information in order to make sure that the publication does not violate the Federal Education Records Privacy Act or any other laws. Staff must also comply with all applicable state and federal record retention requirements, even with regard to personal social media usage.

Staff must comply with all applicable laws prohibiting the use or disclosure of impermissible content, such as copyright laws, accountability and disclosure laws, and any other law governing the use of resources of a political subdivision. Questions about

appropriate content should be referred to the staff member's supervising administrator.

B. Acceptable Use

1. Staff may use social media for instructional purposes.
2. Staff may use social media for school-related communication with fellow educators, students, parents, and patrons.
3. Teachers should integrate the use of electronic resources, which may include social media, into the classroom. As the quality and integrity of content on social media is not guaranteed, teachers must examine the source of the information and provide guidance to students on evaluating the quality of information they may encounter.

C. Unacceptable Use

1. Staff shall not access obscene or pornographic material while at school, on school-owned device or on school-affiliated social media accounts.
2. Staff shall not engage in any illegal activities, including the downloading and reproduction of copyrighted materials.
3. Staff shall not access social media networking sites such as Facebook, Twitter, and Instagram on school-owned devices or during school time unless such access is for an educational activity which has been preapproved by the staff member's immediate supervisor. This prohibition extends to using chat rooms, message boards, or instant messaging in social media applications and includes posting on social networking sites using personal electronic devices.

III. School-Affiliated Digital Content

A. General Use and Conditions for School-Affiliated Accounts

Staff must obtain the permission of their supervising administration prior to creating, publishing, or using any school-affiliated web pages, microblogs, social media pages or handles, or any other digital content which represents itself to be school-related, or which could be reasonably understood to be school-related. This includes any content which identifies the school district by name in the account name or which uses the school's mascot name or image.

Staff must provide administrators with the username and password for all school-affiliated accounts and must only publish content appropriate for the school setting. Staff may not provide the username and password to school-affiliated accounts to any unauthorized individual, including students and volunteers.

B. Moderation of Third Party Content

The purpose of school-related social media accounts is to disseminate information. No school-related or school-affiliated social media account covered by this policy shall permit comments by the public unless otherwise approved by the superintendent. All comment functions for applications such as Facebook and Instagram must be turned to "off" without this approval.

In the event the superintendent permits content created by anyone other than the administrator of the account to appear on the account's pages, such as comments made by students, parents, and patrons, the account administrator must monitor the content to ensure it complies with this policy. Posts, comments, or any other content made on the account's pages may be removed when the content meets any of the following conditions:

1. Is obscene, lewd, or appeals to prurient interests;
2. Contains information relating to a student matter or personnel matter which is protected under or prohibited by state or federal law;
3. Contains threatening, harassing, or discriminatory words or phrases;

4. Incites or is reasonably anticipated to incite violence, illegal activity, or a material and substantial disruption to school operations or activities; or
5. Contains any other threat to the safety of students and staff.

Every account administrator must keep a copy of any removed content and must provide a copy to the superintendent along with written notification for the reason the post has been removed. All questions about the appropriateness of removal must be directed to the superintendent.

Reporting Child Abuse or Neglect

Because of their daily contact with school-age children, educators and other school employees are in a unique position to identify abused and/or neglected children. Nebraska law defines child abuse or neglect as knowingly, intentionally, or negligently causing or permitting a minor child to be (1) placed in a situation that endangers his or her life or physical or mental health; (2) cruelly confined or cruelly punished; (3) deprived of necessary food, clothing, shelter or care; (4) left unattended in a motor vehicle, if such child is six years of age or younger; (5) sexually abused; or (6) sexually exploited by allowing, encouraging, or forcing such person to solicit for or engage in prostitution, debauchery, public indecency, or obscene or pornographic photography, films, or depictions.

Reporting Procedure. School employees who have reasonable cause to believe that a child has been subjected to child abuse or neglect or observe a child being subjected to conditions or circumstances which reasonably would result in child abuse or neglect will report the suspected abuse or neglect according to the following procedure.

1. Any school employee who has reasonable cause to believe that a child has been abused or neglected shall report the suspicion to the building principal immediately.
2. The principal and the school nurse and/or the school guidance counselor shall, whenever possible, investigate the concern within 24 hours of receiving the initial report. The school staff shall endeavor to conduct this investigation in a manner that does not interfere with any current or future investigation by law enforcement. When the principal determines that a report should be made through the district, he or she shall make a report to the office of social services or law enforcement. The principal shall inform the employee(s) who made the initial report whether he or she has made a report to the office of social services or law enforcement. If no such report has been made, the employee(s) shall file such a report if he, she or they have reasonable cause to believe that a child has been abused or neglected.
3. Any doubt or question in reporting such cases shall be resolved in the favor of reporting the suspected abuse or neglect. Consultation between the administrator and school

employee is encouraged, keeping in mind that prompt reporting is essential.

Contents of the Report. The report to authorities shall contain the following information to the extent it is available: (1) name and position of reporting person; (2) name, address, and age of abused or neglected person; (3) address of the person or persons having custody of the abused or neglected person; (4) the nature and extent of the abuse or neglect, or the conditions and circumstances which would reasonably result in such abuse or neglect; and (5) any other information that may be useful in establishing the identity of the persons involved and cause of the abuse or neglect.

Legal Immunity. Nebraska statutes give legal immunity from any civil or criminal liability to any person who makes a good faith report of child abuse or neglect or participates in a judicial proceeding resulting from such a report.

SUPERINTENDENT EVALUATION

The board shall observe and evaluate the superintendent based upon actual classroom observations for an entire instructional period at least twice during his first year of employment and at least once each year thereafter. Additional evaluations may be conducted at the discretion of the board. For the purposes of this policy, "actual classroom observation" shall mean observing the superintendent performing activities that are typical of his or her position. An "entire instructional period" for administrators cannot be defined in terms of an instructional period and shall be satisfied by the actual observation of some aspect of the superintendent's work during the semester for no less than 40 minutes.

Purpose. The purposes of the formal job evaluation are:

1. To provide a means of rational, structured communication between the board and superintendent to create a more constructive and effective working relationship.
2. To provide a basis for commending, rewarding and reinforcing good work, as well as identifying areas where the superintendent needs to improve.
3. To clarify the superintendent's role and inform the superintendent of the board's expectations.

Dates. The first year evaluations shall take place (1) at or prior to the October board meeting, and (2) at or prior to the January board meeting. Annual evaluations shall take place at a board meeting held during the month before the date in the superintendent's employment contract by which the board must notify the superintendent of its intention to consider the nonrenewal or amendment of the contract. In the absence of such a contract provision, the annual evaluation shall take place at or prior to the March board meeting. The Superintendent shall remind the Board members in writing at least 45 days before the date of each upcoming evaluation and shall make his evaluation an agenda item for the board meeting.

Evaluation Document. The superintendent shall submit a recommended evaluation document to the board. The board shall meet and discuss the proposed document with the superintendent. The board may amend and adopt the proposed evaluation document. The board may amend the document or adopt a new document without amending this policy. The superintendent shall submit the evaluation document to the Nebraska Department of Education.

Evaluation Procedures. Each board member shall have the opportunity to individually evaluate the superintendent and complete an evaluation document. The board shall compile the individual evaluations into a single evaluation, provide a copy to the superintendent, and discuss it with him or her. The superintendent's evaluation may be conducted in closed session if it is necessary to prevent needless injury to the superintendent's reputation and he or she has not requested it be done in open session.

Deficiencies. If deficiencies are noted in the superintendent's work performance, the board shall provide the superintendent at the time of the observation with a list of deficiencies and a list of suggestions for improvement and assistance in overcoming the deficiencies. The board shall also provide the superintendent with followup evaluations and assistance when deficiencies remain, a timeline for improvement, and sufficient time to improve. In the alternative, the board may rely upon the superintendent's education, training, and expertise and require him or her to submit a "list of suggestions for improvement" or plan of improvement for the board's consideration.

Personnel File. The evaluation shall be signed by the board president (or other member of the board) and the superintendent. The superintendent shall place a copy of the evaluation in his or her personnel file. The superintendent may provide a written response to the evaluation to the board. A copy of the response shall also be placed in the superintendent's personnel file. The board may meet with the superintendent to discuss the written response.

Policy Limitation. The evaluation procedures are included in this policy as a result of the board's statutory obligation to evaluate the superintendent and do not give the superintendent any rights not provided by statute. The board's failure to comply with any procedures provided in this policy but not required by law shall not prohibit the board from taking any action regarding the superintendent's employment, up to and including the nonrenewal or cancellation of the employment contract.

4060 School Vehicle Use

Pupil Transportation Vehicles. The transportation of students in a pupil transportation vehicle is governed by the rules of the Nebraska Department of Education and the district's safe pupil transportation plan or safety and security plan. See Title 92, Nebraska Administrative Code, Chapter 91 – Regulations Governing Driver Qualifications and Operational Procedures for Pupil Transportation Vehicles ("Rule 91") Title 92, Nebraska Administrative Code, Chapter 92 – Regulations Governing the Minimum Equipment Standards and Safety Inspection Criteria for Pupil Transportation Vehicles ("Rule 92"), available on NDE's website (www.education.ne.gov). A pupil transportation vehicle is any vehicle utilized to carry school children as sponsored and approved by the school board and that conforms to the Nebraska Department of Education definitions of pupil transportation vehicles listed as School Bus, Activity Bus, Small Vehicle, or Coach Bus.

School Vehicles Other Than Those Transporting Students. School district employees, board members, and other elected or appointed school district officials (collectively "school personnel") who are not transporting children are authorized to use a school district vehicle to travel to a designated location or to their home when the primary purpose of the travel serves a school district purpose. School district vehicles may not be used for personal purposes unless the vehicle, or the use of it, is provided to an employee as a condition of an employment contract or it is leased to school personnel as allowed by law. School personnel must operate school vehicles in accordance with all applicable federal, state, and local laws.

Driver Qualifications. School personnel who wish to use a vehicle owned or leased by the school district and who are not transporting students must:

- Possess and provide a copy of a valid Motor Vehicle operator's license.
- Be able to read and comprehend driving regulations and written test questions.
- Obtain and provide a copy of his or her current driving record from the department of motor vehicles at least one time per school year to the superintendent or his or her designee.
- Be at least 19 years of age.

School personnel must notify the superintendent or his or her designee about any change in their driving status or eligibility.

School personnel who have been convicted of any of the following or who meet any of the following conditions will not be allowed to drive a school district vehicle:

- If the citation or conviction occurred at any time—Motor vehicle homicide or driving under the influence – 3rd or subsequent offense;
- If the citation or conviction occurred within the last 3 years - Driving under the influence of drugs or alcohol, failure to render aid in accident you are involved in, speeding 15 miles per hour or more above the posted speed limit, reckless driving (willful or otherwise), careless driving, leaving the scene of an accident, failure to yield to a pedestrian with bodily injury to the pedestrian, or negligent driving; or

The superintendent or his or her designee has the discretion to prohibit school personnel from driving a school vehicle for a citation or arrest for the above offenses or any other offense or reason. The superintendent or his or her designee will make the final determination about the use of school district vehicles.

Electronic Communication While Driving. Unless the superintendent or a principal grants an exception to allow verbal communication on an as needed basis for specific district-related work based upon an employee’s duties and responsibilities, school personnel shall not use any electronic communication device to read a written communication, manually type a written communication, send a written communication, verbally communicate with others, or otherwise communicate with others while operating a school vehicle. This prohibition includes but is not limited to answering or making telephone calls, engaging in telephone conversations, and reading or responding to e-mails, instant messages, text messages or other visual media.

Tobacco, Alcohol, and Controlled Substances. The use of any tobacco product, including the use of vapor products, alternative nicotine products, or any other such look-alike product, is not permitted in a school vehicle at any time. The use or possession of any alcohol or controlled substance (unless legally prescribed to school personnel by a physician) is not permitted in a school vehicle at any time. All drivers shall follow and be subject to Drug Free Workplace Policy and Drug Policy Regarding Drivers Policy.

Traffic Accidents, Infractions, Violations, or Citations. School personnel who receive a citation or warning citation from a law enforcement officer or are involved in an accident while operating a school vehicle must report the citation to the superintendent or his or her designee as soon as practicable, but no later than 24 hours of receipt. Workplace or Non-Workplace Injuries or Illness and Return to Work

Reporting Workplace Injuries. Staff members who are injured while performing duties or who witness workplace injuries must report them to the superintendent or superintendent's designee as soon as possible after being injured or witnessing an injury. Staff members must prepare written statements regarding the injuries they sustained or witnessed when they are asked to do so by the school district. Failure to report a workplace injury as a witness will constitute insubordination and neglect of duty and may result in adverse employment action up to and including termination or cancellation of employment. Failure to report workplace injuries may also result in delayed or forfeited benefits to which an employee may otherwise be entitled.

Returning to Work after Workplace Injuries or Non-Workplace Injuries or Illness. Staff members whose injuries or illness prevent them from completing any or all of their duties, whether or not incurred at work, may be permitted to continue working or may be offered modified duty positions as required by law or as determined appropriate by the superintendent. This policy does not guarantee a limited or modified assignment during the recovery period unless it is otherwise required by law. The employee may be required to provide a return to work certification or report from their treating physician which delineates any restrictions, modifications, or accommodations needed to allow the employee to perform the essential functions of their position.

Termination After Workplace Injuries or Illness. Unless otherwise covered in an individual employment contract, employees may be terminated after suffering a workplace injury or illness when the district has a legitimate, nondiscriminatory reason for doing so. Such reasons include but are not limited to:

- Necessity to fill the position to maintain continuous services as required by law or district policy or standards;
- Performance deficiencies of the employee unrelated to the injury or illness;
- Unavailability of substitute or replacement employees;
- When the absence will negatively impact students' educational experience or opportunities; or
- Any other reason not otherwise prohibited by law.

The district may make such employment determinations regardless of whether the employee has returned to work and regardless of whether a medical professional has certified that the employee has reached maximum medical

improvement. In the event the injury or illness lasts beyond the amount of leave time provided by the district and by the Family Medical Leave Act, which is generally no greater than 12 weeks, the employee may be terminated even if the employee remains eligible for Workers' Compensation under state law or short or long-term disability under a policy available through the district. In no event will an employee be terminated as retaliation for filing a Workers' Compensation claim.

Termination After Non-Workplace Injuries. Unless otherwise covered in an individual employment contract or prohibited by law, employees who are unable to perform any of the essential functions of their positions with reasonable accommodation(s) due to injury or illness occurring outside of the workplace may be terminated. The employee's position or a similar position will be held open only as required by law, such as the Family Medical Leave Act.
